Our Mission Statement:

The foundation of Mission Peak is love. We are a spiritual community of open minds, nurturing growth and healing in ourselves and all people. Together we strive to live compassionately and courageously as we work for a nonviolent, just and sustainable world.

We, the Member Congregations of the Unitarian Universalist Association, Covenant to Affirm and Promote:

- The inherent worth and dignity of every person;
- Justice, equity, and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of the conscience and the use of the democratic process within our congregations and society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Unison Chalice Lighting Sharon Davis
We light this chalice...To remind ourselves to treat all people kindly,
because we are all one family;
To take good care of the Earth, because it is our home;
To live lives full of goodness and love,
because that is how we will become the best people we can be.
