

This Week on the Peak

Mission Peak UU - Fremont, CA The Home of Liberal Religion in the Tri-Cities and Beyond! November 16, 2022

Dear Sandra,

Hello to all! My name is DeAnna Alm and I am a member of the Board. I don't know if it is the same for all of you, but I am now at the time of year when it feels like the days are passing at twice their normal speed. Every few days, I hear myself saying, "Wait, what?? It's already time to...order the Thanksgiving turkey, work on family holiday plans, write my Week on the Peak article...??" *(I am going to admit that I wrote this article the morning before its publication date.)*

It's often hard to remember to stop and take a breath. And yet, without that brief pause, it's easy to forget what all this hurrying is for. Renewing connections with friends and family is important, not managing an event so it's picture-perfect, Instagram-worthy and Facebook-fabulous. Reaching out to all of you, my Mission Peak UU folks, to say that I see you and I value you is important, not crafting the perfect piece of prose.

So, whether this upcoming holiday season is a busy one or a quiet one for you, whether it is a season of joy or a season that brings melancholy (or a combination of them both), whether you are a founding member, a returning friend, or one of our new members being ingathered this coming Sunday, please know that I'm thinking of you, I'm seeing you, and I'm cherishing you. This spiritual home that we share is a special and unique place, and it is those bonds that we build, rebuild and strengthen with each other that keeps it so.

DeAnna Alm

This Sunday's Service:

We have transitioned to hybrid services. See mpuuc.org/zoom each week for how to attend services.

Survival of the Friendliest

How in the world did we make it this far? Had impartial observers witnessing evolutionary dynamic been asked to place a wager on which human species would thrive and go on to dominate the planet, Homo Sapiens would certainly not have been the leading candidate. But the reason we did is not due to the misunderstood theory of Darwin dealing with 'survival of the fittest'. It is more accurate to say we successfully evolved due to 'survival of the friendliest.' In this service we will explore the internal tendencies that led to our success and how we have sometimes overridden such evolutionary code to our peril. In this service we will welcome our new members joining MPUUC.

Rev. Greg Ward will lead the service and assisting will be Mark Rahman. Worship Host will be Steve Wallcave. Peak Rocks will provide our music.

Whether you are attending services in Cole Hall or remotely you can donate money and/or fulfill your pledge in the 3 ways shown below:

Fellowship, Food, and Fun- Thanksgiving Potluck

After the service this Sunday (Nov. 20th) we are having a potluck lunch to celebrate 3 people joining our congregation during the Ingathering that morning. It's also a great kick-off to Thanksgiving week, because we are thankful to be part of this wonderful, caring congregation. There is no sign-up sheet. Just bring whatever you want, a true potluck! To be eco-friendly we encourage you to bring your own plate and utensils from home, but if you forget, we will have some available.

Guest at Your Table

Ever since it committed to providing response to the suffering of the Holocaust, the Service Committee has been part of extending Unitarian and Universalist values across the globe. Each year for the last 40 years, the UUSC has brought the world – its people and its possibilities – to us. Four places in the world are chosen where our UU values could be the difference between life and death. A few courageous activists living in those cultures invite us to be guests in their communities. We get to appreciate the power and beauty of their cultures as well as the significant threat to health and safety.

For the next four weeks (Nov 6 – Nov 27) we are asking you to set an extra plate at your table. The cost of one meal, each night for 28 nights buys us the chance to see the connection between the difference that's needed and the difference we can make. Guest at Your Table Boxes are available in Cole Hall or [online](#). You can access the stories of [this year's hosts](#) as well as seeing the [difference you can make](#). Together, let's learn about people directly connected to human rights work, reflect on our own lives, and raise funds to advance justice in communities near and far. Thank you for the love that turns into justice.

CIRCLE OF LIFE

Each week, we post the previous Sunday's Joys and Concerns that we were given permission to share. We encourage you to make room in your heart for the hopes and fears of your fellow members. Reach out to celebrate and console those you care about. Here are the [Joys and Concerns](#) for the past 4 weeks. If you would like your joy or concern to appear in the Wheel of

Life, contact the Encouragement Committee at ecteam@mpuuc.org

Safety Policy for Hybrid Services in Cole Hall

Attendees should be masked inside and outside of Cole Hall during the service. We encourage people to wear N95 masks (or equivalent) which are more effective than cloth or surgical masks. We have such masks available in Cole Hall on Sunday mornings. We encourage people to only come inside Cole Hall if fully vaccinated and boosted. Because vaccinated people can still spread the disease to others, we strongly encourage those in contact with unvaccinated or immunocompromised people to attend services outside or via Zoom.

The [board Safety Policy on how we allow services in Cole Hall](#) is in the “[About->Congregational Documents](#)” section of the mpuuc.org web site. If you wonder how we are trying to keep us all safe as we gather together again, please read it. We expect to continue to monitor what is safe and make changes as needed.

We also have other board policies related to Covid-19 in section 18 of the board policies document, which is also in the “[About->Congregational Documents](#)” section of the website. The outdoor event guidelines in section 18.2 will control how we would be able to have food or drinks outside after the service, or for special events. Contact Steve Wallcave with any questions about either safety policy.

Article: [“I Wanted to Know What White Men Thought about their Privilege. So I](#)

[Asked](#)” by Claudia Rankine

The poet Claudia Rankine shares her attempts to engage white men on the topic of white privilege, mostly in airports and on airplanes. I love her wry wit as well as her insights. Rankine is turning this article into a play, but that is not yet available in print.
