

# This Week on the Peak

Mission Peak UU - Fremont, CA  
The Home of Liberal Religion in the Tri-Cities and Beyond!  
January 18, 2023

Dear Sandra,

Greetings from your Encouragement Committee on a fine January day. We thought you might like to know what we have been doing this last couple years, so here goes. We on the committee have the privilege of encouraging you, and celebrating with you, when something important is going on. We then can encourage others to join with you in those life markers, and with your permission add those to the Circle of Life link in the Week on the Peak.

We might show our love and concern by sharing a card (dozens have been sent since our beginnings), email, phone call, thoughts, prayers, etc. The hope is to better connect all of the MP family (members and friends) with each other; to inform; to empower; to share; and to show the love.

If you would like your joy or concern to appear in the Circle of Life, contact the Encouragement Committee at [ecteam@mpuuc.org](mailto:ecteam@mpuuc.org). Or one of our devoted members: Greg Ward, Sharon Davis, Barbara Meyers, Colleen Arnold, John Porter, Don Ramie, Julie Ganzlin, Lucienne Bouvier and Jo Ann Schriener.

Thank you for your support of this endeavor.

Jo Ann Schriener

## This Sunday's Service:

**We have transitioned to hybrid services. See [mpuuc.org/zoom](https://mpuuc.org/zoom) each week for how to attend services.**

## To Be a Good Ancestor

We live in the age when we're subject to the tyranny of the 'now,' Driven by Facebook, tweeting, 24/7 news, and the 'buy-now' button. But the obsession with the immediate has further decimated our abilities for long-term planning. And the truth is resolving the problems we currently face – from climate change to pandemic response – are long-term conversations. Drawing from Roman Krznaric's brilliant book, we will explore six ways we can become time rebels and learn to think long.

## Safety Policy for Hybrid Services in Cole Hall

Attendees should be masked inside and outside of Cole Hall during the service. We encourage people to wear N95 masks (or equivalent) which are more effective than cloth or surgical masks. We have such masks available in Cole Hall on Sunday mornings. We encourage people to only come inside Cole Hall if fully vaccinated and boosted. Because vaccinated people can still spread the disease to others, we strongly encourage those in contact with unvaccinated or immunocompromised people to attend services outside or via Zoom.

The [board Safety Policy on how we allow services in Cole Hall](#) is in the "About-

>[Congregational Documents](#)” section of the mpuuc.org web site. If you wonder how we are trying to keep us all safe as we gather together again, please read it. We expect to continue to monitor what is safe and make changes as needed.

We also have other board policies related to Covid-19 in section 18 of the board policies document, which is also in the “[About->Congregational Documents](#)” section of the website. The outdoor event guidelines in section 18.2 will control how we would be able to have food or drinks outside after the service, or for special events. Contact Steve Wallcave with any questions about either safety policy.

## A New Bhavacakra (the Buddhist “Wheel of Life”)

Sunday, January 22, 12pm, Cole Hall

Eric Dittmar is giving a talk about his reimagining of the Buddhist Wheel of Life and debut Don Ramie’s completed painting of the new version. Eric will explain the origin of and ideas behind his revision using simplified graphics, and then present and discuss Don’s Bhavacakra. He won’t try to convince you the teachings depicted are the “one-true belief system,” although he hopes it sheds some light on these Buddhist principles or maybe makes you a little curious.

The talk should take about a half-hour, but the format will depend on how many attend and there will be time afterwards for questions. Bring a bag lunch if you want for before or after.

## Anti-Racism Anti-Oppression Committee (ARO) Recommendations

### SHOWING UP FOR RACIAL JUSTICE BAY AREA

**Demand freedom for Leonard Peltier and Ruchell Magee.** This holiday season there are important movements to push President Biden to grant executive clemency to [Leonard Peltier](#), and Governor Newsom to commute the sentence of [Ruchell Magee](#).

Leonard just turned 78, and February 6 marks the 47th year since his arrest for a crime he did not commit. He has multiple health issues and uses a walker. Seven senators, and news outlets including the NY Times, are calling for his release.

- Please call the White house comment line Tuesday–Thursday, 8:00am – 12:00pm: [202-456-1111](tel:202-456-1111).
- Text Biden at [302-404-0880](tel:302-404-0880) or email through [www.whitehouse.gov/contact](http://www.whitehouse.gov/contact).

Ruchell is 83 and uses a walker. He was unjustly captured in 1963 on trumped-up charges related to a marijuana deal; he's been in prison for 59 years and is the longest-held political prisoner in the US.

- Please call Governor Newsom's office at [916-445-2841](tel:916-445-2841), press 1 for English or 2 for Spanish, press 6 to speak with a representative and wait for someone to answer (Monday–Friday 9:00 am – 5:00 pm).
- Use this script: "Hello, my name is \_\_\_\_ and I'm calling to encourage Governor Gavin Newsom to commute the sentence of prisoner Ruchell Magee #A92051 #T 115, who has served 59 long years in prison. Ruchell is 83 years old, so as an elderly prisoner he faces health risks every day from still being incarcerated for so long. In the interests of justice, I am joining the global call for Ruchell's release due to the length of his confinement and I urge Governor Newsom to take immediate action to commute Ruchell Magee's sentence."
- Email Newsom through [www.gov.ca.gov/contact](http://www.gov.ca.gov/contact)

41,000 Americans die every year from gun violence - an average of more than 110 per day. Firearms are now the leading cause of death for children in the United States. Each precious life lost wounds families, friends, communities, and our nation.

We will gather to honor all victims and survivors of gun violence and vow to turn our grief into action to end this national epidemic.
