

This Week on the Peak

Mission Peak UU - Fremont, CA The Home of Liberal Religion in the Tri-Cities and Beyond! February 11, 2026

Greetings!

Dear Friends,

In these times of great turmoil where corporate and political interests are attempting to override personal freedoms and civil liberties that are the cornerstone of our democracy, two things become very important.

1. Create coalition of diverse citizenry that bands together and refuses to allow human rights to be ignored or rescinded; and
2. An agency who is dedicated to organize that our individual concerns can be multiplied and magnified

This Sunday, we are very fortunate to celebrate both of these when we lift up our partners in the Fremont area who have issued the call for our voices to be heard and our presence to be felt.

Indivisible Fremont is the regional chapter of the National Indivisible movement. Their vision is to 'promote, preserve, and protect our democracy locally and nationally.' Their mission is dedicated to promoting a welcoming and inclusive community, advocating for democracy and justice, and empowering individuals to create positive change.

They operate with 8 essential values in mind

1. Choose Hope
2. Welcome All People
3. Believe in Liberty and Justice for all
4. Support a shared prosperity
5. Champion One person, One vote
6. Promote the Pursuit of Truth
7. Work with unquestionable advocacy to preserve and protect our democracy locally and nationally.
8. Join Together in Peace.

I hope you will be able to join us this Sunday when members of the volunteer steering team will be present and eager for our support. If we hope for this experiment in democracy to last beyond our lifetimes, it will come about through agencies like Indivisible helping us work together.

Rev. Greg Ward

Resilience is about what's inside us,
but it's also about what's between us.
So look around as much
as you look within.

Let up on all the "grin and bear it"

Anti-Racism Anti-Oppression Committee (ARO) Recommendations

Tell Congress: No Secret Police

– Demand that Congress block the unchecked growth of ICE and put an end to Donald Trump's secret police force. ICE now has a bigger budget than the militaries of most countries—and it's being used to target, detain, and terrorize our communities, not keep us safe. This agency has arrested elected officials, disappeared people off the street, and torn families apart. That's not law enforcement—that's authoritarianism. Add your name to demand an end to ICE's abuse of power and reign of terror.

Call Congress:

Stop Starving Gaza and Block the Bombs – The Israeli military has been killing Palestinians on a daily basis, restricting aid, and delaying the reopening of the Rafah crossing—the most critical lifeline for entry and exit from Gaza. This winter, seven Palestinian children have died from freezing temperatures due to the Israeli military occupation's blockade of critical aid. As Israel's largest military funder, the U.S. has the power to ensure humanitarian aid access and end the killing. Take action now by telling

your members of Congress to advocate for the immediate reopening of Rafah crossing, for all aid to enter Gaza, and to pass the Block the Bombs Act (H.R. 3565) to stop arming Israel.

DropChevron:

Demand local institutions drop this Big Oil war profiteer as a corporate sponsor – Big Oil corporation Chevron is raking in the profits from Trump's invasion of Venezuela, the Israeli government's genocide against the Palestinian people, and climate destruction around the world. Chevron whitewashes its long history of fueling war crimes by sponsoring events, sports teams, and institutions that offer real value to their local communities. Institutions everywhere should reject all affiliation with Chevron in protest. Take action now to demand that local institutions #DropChevron as a sponsor.

8th Principle Learning

Increasingly, psychologists emphasize that people can be morally injured not only by what they do, but by what they see others do—especially when the wrongdoing is committed by leaders, institutions, or family members they once trusted.
